 2. From there you will be prompted to fill in contact information – the more information you provide, the better
 3. The next page will ask you to select user group meetings you would like to receive notifications for. Please select all that apply
 4. Click "next"
 5. This page will provide more in-depth subscriptions to emails and announcements. Please select all that apply
 6. Select "OK" – your account is now set up!
- * Once you've completed all the steps above, you can navigate to the calendar and select, "Yes, I will attend" to any meetings in the categories you've selected. Just by clicking yes, you will be registered for the meeting – you don't need to do anything else!
 - * If a certain meeting or training option is missing from your calendar, click "Edit Group Membership" or reach out to MnCCC to assist in editing your profile!
