

KnowBe4 Security Awareness Training Standing Offer For Minnesota Counties Computer Cooperative -MNCCC

KnowBe4 is the world's largest security awareness training and simulated phishing platform, proven effective in helping organizations manage the ongoing problem of social engineering and reducing vulnerabilities to ransomware, malware, and other data breaches.

The KnowBe4 platform is user-friendly and intuitive. It was built to scale for busy IT pros that have multiple fires to put out. Our goal was to design the most powerful, yet easy-to-use platform available.

Customers of all sizes can get the KnowBe4 platform deployed into production extremely fast. Our Customer Success team gets you going in no time, without the need for consulting hours.

To ensure all members of MNCCC receive competitive pricing on our New School Security Awareness and Phishing platform, we are providing a set discount via a Standing Offer. MNCCC members will receive a 33% discount on all of our subscription levels. **Offer valid for new KnowBe4 customers only.**

Our 3-year subscription has a built-in discount of 20%. MNCCC members opting for a 3-year subscription will receive the multi-year discount of 20% on top of the 33% discount.

Rebate: MNCCC will also be eligible to receive a 2% rebate on each resulting sale from any of its members to KnowBe4 for products and services during the term of this Agreement. Promptly upon KnowBe4's receipt of payment in full for any MNCCC member's eligible order, KnowBe4 will issue a check to MNCCC for two percent (2%) of the price of the order. The rebate shall be paid out in the same currency as the completed sale, less any applicable taxes. Should KnowBe4 for any reason be required to refund any portion of the member's purchase, KnowBe4 shall promptly notify MNCCC in writing and MNCCC shall reimburse KnowBe4 the corresponding rebate amount within thirty (30) days of such notice using the remittance details provided by KnowBe4 at such time.

PhishER (Optional add-on) 15% Discount

<https://www.knowbe4.com/products/phisher>

PhishER is your lightweight Security Orchestration, Automation and Response (SOAR) platform to orchestrate your threat response and manage the high volume of potentially malicious email messages reported by your users. And, with automatic prioritization of emails, PhishER helps your InfoSec and Security Operations team cut through the inbox noise and respond to the most dangerous threats more quickly.

All eligible MNCCC members MUST ask for the MNCCC Standing Offer prior to purchasing. The MNCCC discount will not be refunded post-sale, nor applied to existing accounts or renewals of current KnowBe4 customers. Organizations with 25 users or less are not eligible to participate in this Standing Offer without prior written approval from KnowBe4. Organizations with 25 users or less that are deemed eligible by KnowBe4 will only be offered our 3 year Diamond subscription.

This Standing Offer for MNCCC members is only available for ninety (90) days from the date of this Agreement.
