## **WHAT IS LINKEDIN LEARNING?**

LinkedIn Learning is an on-demand training platform with thousands of pre-recorded courses taught by industry experts covering the latest business, technology, and creative skills. It provides personalized course recommendations and is designed to help users achieve their full potential at their own pace.

Organizations are seeing many benefits by implementing a Learning Management System (LMS), some of these benefits include: cost savings, on-demand access, flexible learning, customization, and more!
